Credit to any Person on account of any Letter of Credit shall be immediately payable by the applicable Borrower without notice, presentment or demand and each Borrower agrees that each payment made by the issuer of a Letter of Credit in respect of a Letter of Credit shall constitute a request by the applicable Borrower for a Loan to reimburse such issuer. In the event such Loan is not advanced by Lender for any reason, such reimbursement obligations (whether owing to the issuer of the Letter of Credit or Lender if Lender is not the issuer) shall become part of the Liabilities hereunder and shall bear interest at the rate then applicable to Revolving Loans until repaid. Borrowers shall remit to Lender a Letter of Credit fee equal to one and one half percent (1.5%) on the aggregate daily stated amount of all Letters of Credit outstanding, which fee shall be payable monthly in advance. Borrowers shall also pay on demand the normal and customary administrative charges of the issuer of the Letter of Credit for documentation, issuance, amendment, negotiation, transfer, drawings, processing, renewal or extension of any Letter of Credit.

If any term of such application or reimbursement agreement is inconsistent with this Agreement, then the provisions of this Agreement shall control to the extent of such inconsistency.

(c) Borrowers shall be obligated to reimburse the issuer of any Letter of Credit, or Lender if Lender has reimbursed such issuer on any Borrower's behalf, for any payments made in respect of any Letter of Credit, which obligation shall be unconditional and irrevocable and shall be paid regardless of: (i) any lack of validity or enforceability of any Letter of Credit, (ii) any amendment or waiver of or consent or departure from all or any provisions of any Letter of Credit, this Agreement or any Other Agreement, (iii) the existence of any claim, set off, defense or other right which any Borrower or any other Person may have against any beneficiary of any Letter of Credit, Lender or the issuer of the Letter of Credit, (iv) any draft or other document presented under any Letter of Credit proving to be forged, fraudulent, invalid, or insufficient in any respect or any statement therein being untrue or inaccurate in any respect, (v) any payment under any Letter of Credit against presentation of a draft or other document that does not comply with the terms of such Letter of Credit, and (vi) any other act or omission to act or delay of any kind of the issuer of such Letter of Credit, Lender or any other Person or any other event or circumstance that might otherwise constitute a legal or equitable discharge of any Borrower's obligations hereunder. It is understood and agreed by Borrowers that the issuer of any Letter of Credit may accept documents that appear on their face to be in order without further investigation or inquiry, regardless of any notice or information to the contrary.

(d) The expiration date of each Letter of Credit shall be no later than the earlier of (i) one-hundred twenty (120) days from the date of issuance and (ii) the sixtieth (60th) business day prior to the Termination Date.

4. **INTEREST, FEES AND CHARGES.** Borrowers shall pay to Lender the following:

(a) Borrowers shall pay to Lender interest on the outstanding principal balance of the Loans monthly in arrears on the first day of each month beginning on date hereof, at the per annum rate of one and one-half percent (1.5%) plus the Reference Rate. Following the occurrence of an Event of Default, Borrowers shall pay to Lender interest on the outstanding principal balance of the Loans at the per annum rate of three and one half percent (3.5%) plus the Reference Rate (which rate shall increase to eight and one half percent (8.5%) if the applicable Event of Default is not cured within forty-five (45) days thereof); provided, that Borrower shall have fourteen (14) days before the imposition of such default interest rate to cure any Event of Default other than an Event of Default arising from a breach of Section 14.

(b) Borrowers shall pay to Lender a closing fee the amount of \$18,750 which shall be fully earned as of and payable on the date hereof.

(c) Borrowers shall pay to Lender an unused line fee of 3/8 of one percent (0.375%) of the difference between (i) the PS Maximum Revolving Loan Facility plus the SW Maximum Revolving Loan Facility and (ii) the average daily balance of the Revolving Loans plus the PS Letter of Credit Obligations and the SW Letter of Credit Obligations for each month, which fee shall be fully earned by Lender and payable monthly in arrears on the first business day of each month.

(d) Borrowers shall pay to Lender a monthly administrative fee equal to \$3,000.00, which fee shall be fully earned by Lender and payable on the date that Lender makes its initial disbursement under this Agreement and on each month anniversary of the date hereof.

Each Borrower hereby authorizes Lender to make Revolving Loans, at any time in its sole discretion, (x) as provided in Section 3(a), with respect to obligations arising under Letters of Credit, and (y) to pay interest, fees, expenses and other charges of any Borrower from time to time arising under this Agreement or any Other Agreement; provided, that Lender shall have no obligation at any time to make any Revolving Loan pursuant to the provisions of the preceding sub-clause (y). Lender shall have the right to make Revolving Loans pursuant to the provisions of this paragraph regardless of whether the conditions precedent set forth in Section 5(a) are then satisfied, including the existence of any Event of Default either before or after giving effect to the making of such Revolving Loans.

Interest and fees shall be computed on the basis of a year of three hundred sixty (360) days for the actual number of days elapsed. It is the intent of the parties that the rate of interest and the other fees and charges to Borrowers under this Agreement shall be lawful; therefore, if for

any reason the interest or other fees and charges payable under this Agreement are found by a court of competent jurisdiction, in a final determination, to exceed the limit which Lender may lawfully charge Borrowers, then the obligation to pay interest and other charges shall automatically be reduced to such limit and, if any amount in excess of such limit shall have been paid, then such amount shall be refunded to Borrowers.

5. CONDITIONS OF ADVANCES.

(a) Without limiting Lender's discretion to make advances hereunder, the making of any advance provided for in this Agreement shall be conditioned upon the following:

- (i) Lender shall have received, by at least noon (12:00 p.m.) New York time on the day on which an advance is requested to be made hereunder, a written notice of borrowing in the form of Exhibit J attached hereto from an officer of the applicable Borrower (or any Person authorized by such Borrower pursuant to a written list provided to Lender), for an advance in a specific amount;

(ix) Lender shall have received all of the schedules and reports required to have been delivered by Borrower pursuant to Section 10 hereof, dated as of the date hereof.

(c) As an accommodation to the Borrowers, Lender has agreed to execute this Agreement and to make Loans hereunder notwithstanding that certain conditions to closing have not been satisfied. In consideration of such accommodation, (i) within sixty (60) days of the date hereof and at his sole cost and expense, Verissimo agrees to deliver a real estate appraisal (prepared by an appraiser acceptable to Lender and in form and substance satisfactory to Lender) for the premises located at 14 South Yorkshire Woods, Oakbrook, Illinois 60523 and (ii) within forty five (45) days of the date hereof and at its sole cost and expense, Stone Warehouse agrees to cause a Landlord's Waiver in form and substance acceptable to Lender (and containing, among other things, a right to sell collateral on the premises and a 90 day access period on the premises) to be executed and delivered by the landlord of the premises located at 70 Eisenhower Lane North, Lombard, Illinois and 301-303 Eisenhower Lane South, Lombard, Illinois (it being agreed and

understood that the failure to comply with the requirements set forth in this Section 5(c)(ii) (A) will result in the institution of a reserve against PS Revolving Loan Availability and SW Revolving Loan Availability in an amount determined by Lender in its sole discretion, and (B) shall not constitute an "Event of Default" unless so declared by Lender in writing).

6. GRANT OF SECURITY INTEREST TO LENDER. As security for the payment or other satisfaction of all Liabilities, each Borrower hereby assigns to Lender and grants to Lender a continuing security interest in the following property of such Borrower, whether now or hereafter owned, existing, acquired or arising and wherever now or hereafter located: (a) all Accounts and all Goods whose sale, lease or other disposition by such Borrower has given rise to Accounts and have been returned to or repossessed or stopped in transit by such Borrower; (b) all Chattel Paper, Instruments, Documents and General Intangibles (including without limitation all patents, patent applications, trademarks, trademark applications, tradenames, trade secrets, goodwill, copyrights, registrations, licenses, software, franchises, customer lists, tax refund claims, claims against carriers and shippers, guarantee claims, contracts rights, payment intangibles, security interests, security deposits and any rights to indemnification); (c) all Inventory and other Goods, including without limitation Equipment, vehicles and Fixtures; (d) all Investment Property; (e) all Deposit Accounts, bank accounts, deposits and cash (f) all Letter-of-Credit Rights; (g) Commercial Tort Claims listed on Exhibit H hereto; (h) any other property of Borrower now or hereafter in the possession, custody or control of Lender or any agent or any Affiliate of Lender or any participant with Lender in the Loans for any purpose (whether for safekeeping, deposit, collection, custody, pledge, transmission or otherwise); and (i) all additions and accessions to, substitutions for, and replacements, products and proceeds of the foregoing property, including without limitation proceeds of all insurance policies insuring the foregoing property, and all of such Borrower's books and records relating to any of the foregoing and to such Borrower's business.

7. PRESERVATION OF COLLATERAL AND PERFECTION OF SECURITY INTERESTS THEREIN.

(a) Each Borrower shall, at Lender's request, at any time and from time to time, authenticate, execute and deliver to Lender such financing statements, documents and other agreements and instruments (and pay the cost of filing or recording the same in all public offices deemed necessary or desirable by Lender) and do such other acts and things or cause third parties to do such other acts and things as Lender may deem reasonably necessary or desirable in order to establish and maintain a valid, attached and perfected security interest in the Collateral in favor of Lender (free and clear of all other liens, claims and rights of third parties whatsoever, whether voluntarily or involuntarily created, except Permitted Liens) to secure payment of the Liabilities, and in order to facilitate the collection of the Collateral. Each Borrower irrevocably hereby makes, constitutes and appoints Lender (and all Persons designated by Lender for that purpose) as such Borrower's true and lawful attorney and agent-in-fact to execute such financing statements, documents and other agreements and instruments and do such other acts and things as may be reasonably necessary to preserve and perfect Lender's security interest in the Collateral.

(b) Immediately upon any Borrower's receipt of any portion of the Collateral evidenced by an Instrument or Document including, without limitation, any Tangible Chattel Paper and any Investment Property consisting of certificated securities, such Borrower shall deliver the original thereof to Lender together with an appropriate endorsement or other specific evidence of assignment thereof to Lender (in form and substance acceptable to Lender). If any endorsement or assignment of any such items shall not be made for any reason, Lender is hereby irrevocably authorized as the applicable Borrower's attorney and agent-in-fact, to endorse or assign the same on such Borrower's behalf.

(c) To the extent any Borrower obtains or maintains any Electronic Chattel Paper, Deposit Accounts or Letter-of-Credit Rights, such Borrower shall do such acts and things or cause third parties to do such acts and things to establish control in favor of Lender as control for such type of Collateral is defined in the UCC.

8. CAPITAL ADEQUACY. If Lender shall reasonably determine that the application or adoption of any law, rule, regulation, directive, interpretation, treaty or guideline regarding capital adequacy, or any change therein or in the interpretation or administration thereof, whether or not having the force of law, increases the amount of capital required or expected to be maintained by Lender or any Person controlling, directly or indirectly, Lender, and such increase is based upon the existence of Lender's obligations hereunder and other commitments of this type, then from time to time, within ten (10) days after demand from Lender, Borrowers shall pay to Lender such amount or amounts as will compensate Lender or such controlling Person, as the case may be, for such increased capital requirement. The determination of any amount to be paid by Borrowers under this Section 8 shall take into consideration the policies of Lender or any Person controlling Lender with respect to capital adequacy and shall be based upon any reasonable averaging, attribution and allocation methods selected by Lender. A certificate of Lender setting forth the amount or amounts as shall be necessary to compensate Lender as specified in this Section 8 shall be delivered to Borrowers and shall be conclusive in the absence of manifest error.

9. COLLECTIONS.

(a) Each Borrower shall direct all of its Account Debtors to make all payments on the Accounts to a post office box (the "Lock Box") designated by, and under the exclusive control of a financial institution acceptable to Lender. Borrowers shall establish an account (the "Lock Box Account") in Borrowers' name with such other financial institution acceptable to Lender, into which all payments received in the Lock Box shall be deposited, and into which each Borrower will immediately deposit all payments received by such Borrower with respect to Accounts of such Borrower and other Collateral in the identical form in which such payments were made, whether by cash or check. If any Borrower, any Affiliate or Subsidiary of a Borrower, or any shareholder, officer, director, employee or agent of a Borrower or any Affiliate or Subsidiary of a Borrower, or any other Person acting for or in concert with a Borrower shall receive any monies, checks, notes, drafts or other payments relating to or as Proceeds of Accounts of any Borrower or other Collateral, such Borrower and each such Person shall receive all such items in trust for, and

as the sole and exclusive property of, Lender and, immediately upon receipt thereof, shall remit the same (or cause the same to be remitted) in kind to the Lock Box Account. The financial institution with which the Lock Box Account is established shall acknowledge and agree, in a manner satisfactory to Lender, that the amounts on deposit in such Lock Box Account are the sole and exclusive property of Lender, that such financial institution will follow the instructions of Lender with respect to disposition of funds in the Lock Box and Lock Box Account without further consent from any Borrower, that such financial institution has no right to setoff against the Lock Box Account or against any other account maintained by such financial institution into which the contents of the Lock Box Account are transferred, and that such financial institution shall wire to Lender, or otherwise transfer to Lender in immediately available funds in a manner satisfactory to Lender, funds deposited in the Lock Box Account on a daily basis as such funds are collected. For purposes of calculating interest on the Liabilities, Lender shall, one business day after receipt by Lender of good Funds via wire transfer or sweep from the Lock Box Account (and two business days after receipt by Lender of good Funds via check), apply (conditional upon final collection) the whole or any part of such collections or Proceeds against the Liabilities in such order as Lender shall determine in its sole discretion. For purposes of calculating the amount of Revolving Loans available to any Borrower, such payments will be applied (conditional upon final collection) to the Liabilities on the next business day after receipt by Lender of such funds in the Lock Box Account. Each Borrower agrees that all payments deposited to such Lock Box Account or otherwise received by Lender, whether in respect of the Accounts of such Borrower or as Proceeds of other Collateral or otherwise, will be applied on account of the Liabilities in accordance with the terms of this Agreement. All checks, drafts, instruments and other items of payment or Proceeds of Collateral shall be endorsed by each Borrower to Lender, and, if that endorsement of any such item shall not be made for any reason, Lender is hereby irrevocably authorized to endorse the same on any Borrower's behalf. For the purpose of this Section 9, each Borrower irrevocably hereby makes, constitutes and appoints Lender (and all Persons designated by Lender for that purpose) as such Borrower's true and lawful attorney and agent-in-fact (i) to endorse such Borrower's name upon said items of payment and/or Proceeds of Collateral and upon any Tangible Chattel Paper of any Borrower, document, instrument, invoice or similar document or agreement relating to any Account of any Borrower or goods pertaining thereto; (ii) to take control in any manner of any item of payment or proceeds thereof; and (iii) to have access to any lock box or postal box into which any of any Borrower's mail is deposited, and open and process all mail addressed to any Borrower and deposited therein.

(b) Lender may, at any time and from time to time provided that an Event of Default has occurred and is continuing, whether before or after notification to any Account Debtor and whether before or after the maturity of any of the Liabilities, (i) enforce collection of any of any Borrowers' Accounts or contract rights by suit or otherwise; (ii) exercise all of any Borrower's rights and remedies with respect to proceedings brought to collect any Accounts of any Borrower; (iii) surrender, release or exchange all or any part of any Accounts of any Borrower, or compromise or extend or renew for any period (whether or not longer than the original period) any indebtedness thereunder; (iv) sell or assign any Account of any Borrower upon such terms, for such amount and at such time or times as

Lender deems advisable; (v) prepare, file and sign any Borrower's name on any proof of claim in bankruptcy or other similar document against any Account Debtor; and (vi) do all other acts and things which are necessary, in Lender's sole discretion, to fulfill Borrower's obligations under this Agreement and to allow Lender to collect the Accounts of any Borrower. In addition to any other provision hereof, Lender may at any time, after the occurrence of an Event of Default, at Borrowers' expense, notify any parties obligated on any of the Accounts to make payment directly to Lender of any amounts due or to become due thereunder.

(c) Lender, in its sole discretion, without waiving or releasing any obligation, liability or duty of any Borrower under this Agreement or the Other Agreements or any Event of Default, may at any time or times hereafter, but shall not be obligated to, pay, acquire or accept an assignment of any security interest, lien, encumbrance or claim asserted by any Person in, upon or against the Collateral. All sums paid by Lender in respect thereof and all costs, fees and expenses, including without limitation reasonable attorney fees, all court costs and all other charges relating thereto incurred by Lender shall be netted against the most recent administrative fee paid by Borrowers pursuant to Section 4(d) until such amount is zero and thereafter, such fees, costs and other charges shall constitute Revolving Loans, payable by Borrowers to Lender on demand and, until paid, shall bear interest at the highest rate then applicable to Revolving Loans hereunder.

10. SCHEDULES AND REPORTS.

(a) At the end of each calendar week, upon each request for a Loan hereunder and at such other times as may be requested by Lender from time to time hereafter, each Borrower shall deliver to Lender (i) a borrowing base certificate certified by the Chief Financial Officer of such Borrower, which certificate includes schedule identifying each Eligible Account of such Borrower together with a detailed perpetual inventory report (by location and product codes); and (ii) such additional schedules, certificates, reports and information with respect to the Collateral as Lender may from time to time require, including, without limitation, copies of the invoices (with evidence of shipment attached) pertaining to each such Eligible Account as well as daily sales, collections, cash receipts, credit and adjustment reports and all appropriate supporting documentation, and a certification of the composition, quantity and value of the Eligible Inventory of such Borrower for the month or week (or other applicable period) immediately preceding, as well as evidence of cost and market prices of such Inventory (with cost determined on a first-in, first-out method), with all appropriate supporting documentation. Lender, through its officers, employees or agents, shall have the right, at any time and from time to time in Lender's name, in the name of a nominee of Lender or in any Borrower's name, to verify the validity, amount or any other matter relating to any of any Borrower's Accounts, by mail, telephone, telegraph or otherwise. Borrowers shall reimburse Lender, on demand, for all costs, fees and expenses incurred by Lender in this regard. Borrowers shall immediately notify Lender of any event causing loss or depreciation in value of any Borrower's Inventory (other than normal depreciation occurring in the ordinary course of business). Such weekly reports may be submitted by telecopy, with originals to follow by U.S. Mail.

(b) Without limiting the generality of the foregoing, each Borrower shall deliver to Lender, at least once a month, not later than the twentieth (20th) day of each month (or more frequently when requested by Lender), a month-end borrowing base certificate, certified by the Chief Financial Officer of such Borrower which reconciles to all month-end financial reports, an accounts receivable aging report (aged by invoice date), an accounts payable aging report (aged by invoice date), a detailed perpetual inventory report (by location and product codes) and all appropriate supporting documentation.

(c) All schedules, certificates, reports, and assignments and other items delivered by each Borrower to Lender hereunder shall be executed by an authorized representative of such Borrower and shall be in such form and contain such information as Lender shall reasonably specify.

11. TERMINATION.

(a) This Agreement shall be in effect until the Termination Date. The security interests and liens created under this Agreement and the Other Agreements shall survive such termination until the payment of the Liabilities has become indefeasible. At such time as Borrowers have repaid all of the Liabilities and this Agreement has terminated, each Borrower shall deliver to Lender a release, in form and substance satisfactory to Lender, of all obligations and liabilities of Lender and its officers, directors, employees, agents and Affiliates to such Borrower.

(b) If, prior to the Termination Date, Borrowers prepay the Liabilities in full and terminates their obligations hereunder or permanently reduce, in whole or in part, the commitment to provide Revolving Loans hereunder, in view of the impracticality and extreme difficulty of ascertaining actual damages and by mutual agreement of the parties, Borrowers agree to pay to Lender, upon such prepayment, an early termination fee equal to the amount set forth below if such prepayment occurs during the period indicated:

(w) each Borrower possesses, and shall continue to possess, adequate licenses, patents, patent applications, copyrights, service marks, trademarks, trademark applications, tradestyles and tradenames to continue to conduct its business as heretofore conducted by it.

Each Borrower represents, warrants and covenants to Lender that all representations and warranties of such Borrower contained in this Agreement (whether appearing in Section 12 or 13 hereof or elsewhere) shall be true at the time of each Borrower's execution of this Agreement, shall survive the execution, delivery and acceptance hereof by the parties hereto and the closing of the transactions described herein or related hereto, shall remain true in all material respects until the repayment in full of all of the Liabilities and termination of this Agreement, and shall be remade by each Borrower at the time each Loan is made pursuant to this Agreement except to the extent that such representation and warranty specifically relates to an earlier date, in which case it shall remain true and correct in all material respects as of such earlier date.

13. ADDITIONAL COVENANTS OF BORROWERS. other data relating to any Borrower's business, the Collateral or any transactions between the parties hereto, and shall have the right to make such verification concerning any Borrower's business as Lender may consider reasonable under the circumstances provided that Lender shall provide 48 hours' prior notice of any such inspection or audit if no Event of Default exists. Each Borrower shall furnish to Lender such information relevant to Lender's rights under this Agreement as Lender shall at any time and from time to time request. Each Borrower authorizes Lender to discuss the affairs, finances and business of such Borrower with any officers, employees or directors of such Borrower or with any Affiliate or the officers, employees or directors of any Affiliate, and to discuss the financial condition of any Borrower with such Borrower's independent public accountants. Any such discussions shall be without liability to Lender or to such Borrower's independent public accountants. Borrowers shall pay to Lender all customary fees and out-of-pocket expenses incurred by Lender in the exercise of its rights hereunder plus any out of pocket expenses, and all of such fees and expenses shall be netted against the most recent administrative fee paid by Borrowers pursuant to Section 4(d) until such amount is zero and thereafter, such fees and expenses shall constitute Revolving Loans hereunder, payable on demand and, until paid, shall bear interest at the highest rate then applicable to Revolving Loans hereunder. In addition, each Borrower shall cause to be executed and delivered to Lender an assignment of proceeds of its business interruption insurance policies. Each Borrower hereby directs all insurers under such policies of insurance to pay all proceeds payable thereunder directly to Lender. IN NO EVENT SHALL LENDER BE LIABLE FOR LOST PROFITS OR OTHER SPECIAL OR CONSEQUENTIAL DAMAGES.**

(b) Each Borrower hereby waives demand, presentment, protest and notice of nonpayment, and further waives the benefit of all valuation, appraisal and exemption laws.

(c) **EACH BORROWER HEREBY WAIVES ALL RIGHTS TO NOTICE AND HEARING OF ANY KIND PRIOR TO THE EXERCISE BY LENDER OF ITS RIGHTS TO REPOSSESS THE COLLATERAL OF SUCH BORROWER WITHOUT JUDICIAL PROCESS OR TO REPLEVY, ATTACH OR LEVY UPON SUCH COLLATERAL WITHOUT PRIOR NOTICE OR HEARING.**

(d) Lender's failure, at any time or times hereafter, to require strict performance by such Borrower of any provision of this Agreement or any of the Other Agreements shall not waive, affect or diminish any right of Lender thereafter to demand strict compliance and performance therewith. Any suspension or waiver by Lender of an Event of Default under this Agreement or any default under any of the Other Agreements shall not suspend, waive or affect any other Event of Default under this Agreement or any other default under any of the Other Agreements, whether the same is prior or subsequent thereto and whether of the same or of a different kind or character. No delay on the part of Lender in the exercise of any right or remedy under this Agreement or any Other Agreement shall preclude other or further exercise thereof or the exercise of any right or remedy. None of the undertakings, agreements, warranties, covenants and representations of any Borrower contained in this Agreement or any of the Other Agreements and no Event of Default under this Agreement or default under any of the Other Agreements shall be deemed to have been suspended or waived by Lender unless such suspension or waiver is in writing, signed by a duly authorized officer of Lender and directed to each Borrower specifying such suspension or waiver.

25. JOINT AND SEVERAL LIABILITY.

(a) Notwithstanding anything to the contrary contained herein, all Liabilities of each Borrower hereunder shall be joint and several obligations of Borrowers.

(b) Notwithstanding any provisions of this Agreement to the contrary, it is intended that the joint and several nature of the Liabilities of Borrowers and the liens and security interests granted by Borrowers to secure the Liabilities, not constitute a "Fraudulent Conveyance" (as defined below). Consequently, Lender and Borrowers agree that if the Liabilities of a Borrower, or any liens or security interests granted by such Borrower securing the Liabilities would, but for the application of this sentence, constitute a Fraudulent Conveyance, the Liabilities of such Borrower and the liens and security interests securing such Liabilities shall be valid and enforceable only to the maximum extent that would not cause such Liabilities or such lien or security interest to constitute a Fraudulent Conveyance, and the Liabilities of such Borrower and this Agreement shall automatically be deemed to have been amended accordingly. For purposes hereof, "Fraudulent Conveyance" means a fraudulent conveyance under Section 548 of Chapter 11 of Title II of the United States Code (11 U.S.C. § 101, et seq.), as amended (the "Bankruptcy Code") or a fraudulent conveyance or fraudulent transfer under the applicable provisions of any fraudulent conveyance or fraudulent transfer law or similar law of any state, nation or other governmental unit, as in effect from time to time.

(c) Each Borrower assumes responsibility for keeping itself informed of the financial condition of each other Borrower, and any and all endorsers and/or guarantors of any instrument or document evidencing all or any part of such other Borrower's Liabilities and of all other circumstances bearing upon the risk of nonpayment by such other Borrowers of their Liabilities and each Borrower agrees that Lender shall have no duty to advise such Borrower of information known to Lender regarding such condition or any such circumstances or to undertake any investigation not a part of its regular business routine. If Lender, in its sole discretion, undertakes at any time or from time to time to provide any such information to a Borrower, Lender shall not be under any obligation to update any such information or to provide any such information to such Borrower on any subsequent occasion.

(d) Lender is hereby authorized, without notice or demand and without affecting the liability of a Borrower hereunder, to, at any time and from time to time, (i) renew, extend, accelerate or otherwise change the time for payment of, or other terms relating to a Borrower's Liabilities on such terms agreed to by such Borrower or otherwise modify, amend or change the terms of any promissory note or other agreement, document or instrument now or hereafter executed by a Borrower and delivered to Lender; (ii) accept partial payments on a Borrower's Liabilities; (iii) take and hold security or Collateral for the payment of a Borrower's Liabilities hereunder or for the payment of any guaranties of a Borrower's Liabilities or other liabilities of a Borrower and exchange, enforce, waive and release any such security or Collateral; (iv) apply such security or Collateral and direct the order or manner of sale thereof as Lender, in its sole discretion, may determine; and (v) settle, release, compromise, collect or otherwise liquidate a Borrower's Liabilities and any security or Collateral therefor in any manner, without affecting or impairing the obligations of the other Borrowers. Lender shall have the

exclusive right to determine the time and manner of application of any payments or credits, whether received from a Borrower or any other source, and such determination shall be binding on such Borrower. All such payments and credits may be applied, reversed and reapplied, in whole or in part, to any of a Borrower's Liabilities as Lender shall determine in its sole discretion without affecting the validity or enforceability of the Liabilities of the other Borrowers.

(e) Each Borrower hereby agrees that, except as hereinafter provided, its obligations hereunder shall be unconditional, irrespective of (i) the absence of any attempt to collect a Borrower's Liabilities from any Borrower or any guarantor or other action to enforce the same; (ii) the waiver or consent by Lender with respect to any provision of any instrument evidencing Borrowers' Liabilities, or any part thereof, or any other agreement heretofore, now or hereafter executed by a Borrower and delivered to Lender except to the extent of such waiver or consent; (iii) failure by Lender to take any steps to perfect and maintain its security interest in, or to preserve its rights to, any security or Collateral for Borrowers' Liabilities; (iv) the institution of any proceeding under the Bankruptcy Code, or any similar proceeding, by or against a Borrower or Lender's election in any such proceeding of the application of Section 1111(b)(2) of the Bankruptcy Code; (v) any borrowing or grant of a security interest by any Borrower as debtor-in-possession, under Section 364 of the Bankruptcy Code; (vi) the disallowance, under Section 502 of the Bankruptcy Code, of all or any portion of Lender's claim(s) for repayment of any of Borrowers' Liabilities; or (vii) any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a guarantor (other than payment in full of the Liabilities).

(f) Until the payment in full of the Liabilities, no payment made by or for the account of a Borrower including, without limitation, (i) a payment made by such Borrower on behalf of another Borrower's Liabilities or (ii) a payment made by any other person under any guaranty, shall entitle such Borrower, by subrogation or otherwise, to any payment from such other Borrower or from or out of such other Borrower's property and such Borrower shall not exercise any right or remedy against such other Borrower or any property of such other Borrower by reason of any performance of such Borrower of its joint and several obligations hereunder.

Re: First Amendment to Loan and Security Agreement

Gentlemen:

As a follow up to our discussions, subject to the appropriate approvals within RZB Finance, we agree to provide you with an amendment to the Loan and Security Agreement (the "Agreement") dated June 19, 2006. This will be the First Amendment to the Agreement (the "First Amendment"). You agree that until the amendment is approved by RZB, we have no obligation to close on any portion of the amendment.

As consideration of RZB to enter into this amendment, you agree to pay RZB an Amendment Fee. The Fee shall be paid by Pyramid Stone and Stone Warehouse, immediately upon closing of the First Amendment, in equal amounts of \$1,500 each. You agree that the fees will be drawn from the Revolver portion of the Agreement.

Furthermore this First Amendment will not close until RZB receives 2007 and 2008 financial budgets, as required by the Agreement. Also it is stipulated that Stone Warehouse must incur capital expenditures in the amount of no less than \$15,000 to restore order to its computer systems by acquiring new hardware and software within no later than 30 days of the closing of the amendment.

If you accept these terms, kindly acknowledge this letter by signing below and returning it to me.

Very truly yours,

Louis T. Marosi

AGREED: Pyramid Stone Mfg., Inc.
